

ONLINE RESOURCES FOR EDUCATORS

The MAC is pleased to offer virtual field trip programs that complement and enhance elementary, middle school, and high school student learning. Our goal is to make history, art, and culture come alive through engaging exhibits and virtual tours.

From virtual museum visits to behind the scenes videos, the following list highlights digital programming that educators may find helpful in weekly lesson planning and that connects to **Social Studies, Art, Science or Free Choice**. Contact the Education Department with any questions at education@northwestmuseum.org.

Virtual Visits

Come experience a virtual field trip with the MAC. Each 7-8 minute video tour covers highlights of our featured galleries and exhibits and can be viewed stand alone or as part of a series. Tours are appropriate for students grades K-12.

Intro to the MAC's Virtual Field Trips (Teachers, Start Here): <https://youtu.be/4LQqxJtJEjU>

Virtual Field Trip - Pompeii: The Immortal City: <https://youtu.be/9jvvhLBBCM>

Examine examples of the architecture, technology and art that came from Pompeii as you learn about why these artifacts have survived such a long time.

- ❖ *WA STATE Social Studies Standards for 6th grade: world civilizations. Also, strands of Civics, Geography, History and Social Studies Skills are applicable*

Virtual Field Trip - Campbell House: <https://youtu.be/RXSXcrU-uk4>

Take a tour through the Historic Campbell House as you learn about the architecture, family life and the history of this mansion. You will be transported into the early 1900's as you hear about how the Campbell's lived and were instrumental to the growth of Spokane.

- ❖ *WA STATE Standard in Social Studies Skills, Geography, Civics, Economics and History for many grades and specifically WA state History standards for 3rd and 4th grade.*

Virtual Field Trip - Mount St. Helens: Critical Memory: <https://youtu.be/g8WFWDT44-M>

This tour focuses on the 1980 eruption of Mt. St. Helens and how critical memories of such events can be preserved. Even if students were not around for the event, they will hear stories from people that were as they analyze technology of then and now.

- ❖ *WA State Social Studies Standards in the Social Studies Skills, Geography, Economics, and History strands, specifically WA state History.*

Virtual Volcano Lab - Coming Soon

As a supplement to our Virtual Museum Visits, experience a digital version of our Volcano Lab. These 6 video presentations provide facts and activities to help students better understand volcanos.

- ❖ *NGSS science standards: Life Sciences (adaptations), Earth's Systems,*
- ❖ *WA STATE Social Studies: Geography*

Storytime with the MAC

<https://www.facebook.com/NorthwestMuseumofArtandCulture>

<https://www.youtube.com/playlist?list=PLw45-DiXCfsXyle1dafPmtH2PCIBil5i1>

Each weekday enjoy a 3-4 minute story read by a museum educator. Stories are appropriate for PreK or Kindergarten students and are intentionally chosen to be thematic and developmentally appropriate.
